HOW YOUR GIFT HELPS...

\$2,500 – Job Coaching & Training – STARS' Job Coaches work with participants on specific job skills, communication strategies and proper work place behavior which helps to ensure each person maintains employment and achieves high levels of success.

\$1,000 – Transitions Program – Provides case management, connections to resources and specialized training to teens with special needs transitioning from high school into adult life.

\$500 – Work Center Instruction – Dedicated staff members support participants in a meaningful paid work experience so that each may reach their goals and gain increased independence and personal fulfillment.

\$250 – Creative Programming – STARS offers our Drawn Together Art Program, Shoot for the STARS Photography Program, access to theatre arts and music classes along with cooking and baking classes to enrich the lives of individuals with disabilities.

\$100 – Transportation – Regardless of the program, transportation is the single biggest obstacle to providing services to individuals with disabilities.

Any and all gifts are deeply appreciated and will make a significant difference to teens and adults with developmental disabilities. STARS is a 501c3 nonprofit organization; your gift may be tax deductible.

A Lifetime of Support – By establishing a planned gift such as a bequest, your gift could support not only STARS' existing participants but those who may turn to us in the future. For more information about planned giving, contact the Development Team at 480-994-5704.
